Age: 43

Resident: Karimnagar

- Teaching Hindi language in digital learning method in government school and adapting corporate school style in govt school for the academic year 2014-2015
- Scouts and Guides training programmes for the overall development of students – 2008 to present.
- Preparing the important topics in the chapter and downloading related photographs from the internet and arranging a video using Movie maker software and adding a suitable voice over to create audio-visual lessons for teaching.
- Instilling patriotism, discipline, life skills through scouts and guides training and guiding towards success through social-service activities.
- Teaching in audio-visual mode with technical support. This method not only makes it easier for the students to understand the outline of the chapter but also helps to correct pronunciation errors.
- To make students participate in Social service – 2008 to present.
