

Sakshi Excellence Awards 2019-20

CATEGORY: EXCELLENCE IN EDUCATION

Name of the Winner: SWAEROES

Launch Year: 1984 | Location: Nizamabad

PROFILE:

SWAEROES has been a Centre of Wisdom Education focused on “Empowering Low-Income Rural/Urban Students and communities in India with objective of providing quality Tutoring, Training, Teaching, Mentoring and Coaching, in the areas of ‘academics, physical education, applied moral science with swaero ideology, arts & culture and entrepreneurship’, to help students and communities actualize, maximize their potential to excel in academics, career, and life for a better nation”.

It has created an opportunity for the upliftment of children of marginalized community in the areas of education, research and employment, which has led to creating a platform for future leaders so that they can go back and serve their respective communities. Majority of the students are first generation learners. The SWAERO team has been highly professional and committed towards the community development and empowerment. Members of the team hail from a similar school of thought and are inspired by Mahatma Jyothibha Pule.

Since the establishment of institution in 1984, they have produced thousands of brilliant students. Their belief in the power of education to close the gaps between under-resourced and over resourced people has led them to inculcate the importance of paying back to the nation in all its students. For they appreciate that long-standing gaps in communities over the years have roots to lack of quality education reach to masses. Strong education is the only way to improve lives and it is vital to our democracy.

ACHIEVEMENTS:

- Ambedkar Knowledge center – These centers were established at villages, mandal level, and district level by the SWAEROES team to propagate about the Ideals of Ambedkar’s Philosophy. The focus of the center has been to educate and create awareness about the importance of education.
- Village Learning Circles (VLCs) Beating Digital Deprivation in Lockdown times – Here, students Teach Students. Students of Telangana Social and Tribal Welfare Residential Educational Institutions Societies (TSWREIS & TTWREIS) have risen to the occasion during the challenging times of corona pandemic by converting an adversity into an opportunity. There were 50+ students in each of the 30 VLCs.
- Vocational Training – Preparing students for every changing scenario by training them not only learn theoretically but also practically.
- Alumni Meets – A platform used to create awareness about the latest opportunities in various fields.
- Parents Fests – Regularly conducted to showcase children’s talent and also boost confidence of both parents and students.
